## Architectural Membrane Color Chart

The selected Pantone color numbers are a visual interpretation of the Kynar colors.

### Designed for permanent or long-term applications

- 3 coat system provides maximum protection and longevity
- Blackout design prevents solar gain and manages climate control
- Weighs approximately 24 oz. per square yard
- Guards against UV and airborne contaminants
- Dramatically extends membrane life
- High strength, rip-stop design
- Exceptional fire-retardant capability
- Available in large selection of colors (custom colors available)
- 25-year pro-rata guarantee

\*The above color chips are not true and accurate representations of the actual membrane color. Please request a membrane sample prior to ordering.

Durability, color choices and ease of cleaning are among the many hallmarks of the architectural membrane of your Sprung structure.
